Federal Elections Commission
Jaime Amrhein, Campaign Finance Analyst
Reports Analysis Division

Ms. Amrhein,

This letter is response to your letter dated April 15, 2015.

Item 1: This amended report includes detailed summary pages for the post-election runoff December 6, 2014.

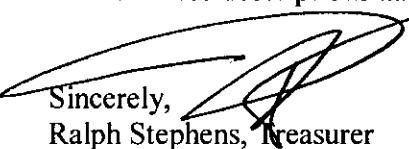

Item 2: All four contributions were reported with the un-itemized contributions (less than \$200 in aggregate) on previous reports filed with the FEC.

Item 3: The report have been amended to include all memo contributions related to the JFC amounts received during the reporting period.

Item 4: The original amounts associated with the 48 hour reports were obtained from fundraisers to expedite the process of disclosure. However, several amounts on the list were incorrect and reported as such. When the actual amounts were deposited, the contributions amounts were corrected and properly reported on the FEC filing.

Item 5: All donors attached to your letter related to the 48-hour notice were deposits received by the campaign and included in the 48-hour report filed (faxed) on November 28, 2014 (page 17), December 3, 2014 (pages 3, 6 and 17) and December 5, 2015 (pages 4 and 60) with the Senate. It appears that these pages did not make it to the FEC with the report filed that day.

Item 6: These descriptions have been updated in this amended report.

Sincerely,

Ralph Stephens, Treasurer
Bill Cassidy for U.S. Senate
